# Introduction

## ABOUT JOYN

JOYN is a staffing and recruiting company based in Auckland, New Zealand that specializes in supplying companies with short-term HR and recruitment consultants.

# ABOUT MYINTERVIEW

A video is worth a thousand CVs. With over 3,000,000 interviews processed, myInterview provides small businesses, large companies and enterprises an intuitive, collaborative and reliable hiring platform. Get to know the personality behind the resume and meet your candidates before they walk through the door!

# The Challenge

# UNDERSTANDING THE PROBLEM

**PROBLEM:** Due to the Covid pandemic New Zealand's borders are still closed, which made it tougher for JOYN to hire, especially considering they have limited resources.

**NEEDS:** JOYN was interested in utilizing video interview technology that was modern, innovative, and would save their clients time and money. They wanted to advance their offering while adjusting to any location or time restrictions.

**SOLUTION:** myInterview allows both candidates and recruiters to be flexible and hire more efficiently

**Q&A**

## Q: “Why did you choose myInterview?”

A: “My team and I reviewed several different softwares and discovered that myInterview’s usability was fantastic. Even the least tech-savy employee was able to understand and comment on the simplicity of the interface. We also liked myInterview because it was completely customizable and we were able to make it unique to JOYN.”

## **Q: “How did myInterview help your company’s recruitment process?”**

**A:** “With myInterview, our overall recruitment process became increasingly efficient and our time to hire was much faster. We were able to complete more interviews because we weren’t spending time trying to schedule interviews or work around time zones.”

# The Results

“ Makes the overall recruitment process more efficient. ”
